# Going Forward: SUNSHINE AND CLOUDS

## Biofertilizers, Bioremedies, Biostimulants

- Very challenging presentations
- Definitions
- Strict Differences
- Grey areas / Dual nature
- Regulations (SA, EU.....)
- Dynamic Approaches
- A lot to digest

# Going Forward: SUNSHINE AND CLOUDS

## Soil Health

- Complex
- Claims?
- Measurements?
- Outcomes based on approach
- Where to from here?
