

FERTILIZER ASSOCIATION OF SOUTHERN AFRICA NPC

("The Company")

CODE OF CONDUCT

Members of FERTASA subscribe to a code of conduct and undertake to:

- Conform to the mission and objectives of FERTASA as stipulated in the Memorandum of Incorporation;
- Act in accordance with the letter and spirit of laws and regulations which have relevance on the fertilizer and agricultural lime industries;
- Respect and honour contractual agreements entered into with their customers and suppliers;
- Avoid misrepresentation and misleading information in the course of providing marketing, sales and technical services to customers and/or information to the media;
- Apply ethical business practices;
- Apply and promote manufacturing, production and application practices with due concern for human health and the environment;
- Comply with the Competitions Act.
