

Company Structure

Structure of Fertasa

Fertasa is managed and directed by a Board of Directors who are elected by and representative of the ordinary members. The Board of Directors report to the Management Committee which comprises representatives from all ordinary and affiliate members. The Management Committee appoints operational committees to attend to various aspects of the business of Fertasa.

Board of Directors

The Board of Directors manages and directs the business and affairs of Fertasa. The Board comprises six (6) directors and one (1) executive director (the Chief Executive Officer of Fertasa). The directors are elected by the ordinary members with equal representation from both smaller and larger member companies.
