

# Brief Curriculum Vitae

---

Prof Maarten Everaert  
KU Leuven, Belgium

*Presentation Topic: Layered Double Hydroxides for Circular Phosphorus use in Agriculture*

## PERSONAL INFORMATION

Family name, First name: Everaert Maarten

Date of birth: 18-12-1990

Nationality: Belgian

Researcher unique identifier: 0000-0002-3493-0631

## EXPERIENCE

2023 – now Assistant Professor Soil Science and Soil Fertility Department of Earth and Environmental Sciences Faculty of Bioscience Engineering, KU Leuven, Belgium

2020 – now Postdoctoral researcher (MSCA-IF-GF fellowship), from Jan 2023 at 50% School of Agriculture, Food & Wine, University of Adelaide, Australia Faculty of Bioscience Engineering, KU Leuven, Belgium.

2018 – 2020 Researcher Flemish Institute for Technological Research (VITO), Belgium.

## EDUCATION

2013 – 2018 PhD of Bioscience Engineering, Environmental Technology (IWT scholarship)  
Faculty of Bioscience Engineering, KU Leuven, Belgium Prof. Erik Smolders, Prof. Dirk De Vos.

2008 – 2013 BSc and MSc of Bioscience Engineering, Environmental Technology Faculty  
of Bioscience Engineering, KU Leuven, Belgium.

## PRIZES AND AWARDS

**IFA Emerging Scholar Award**, International Fertilizer Association, 2021:

IFA and the members of the Scientific Panel on Responsible Plant Nutrition recognise the excellence of my scientific contributions and the potential for innovative plant nutrition solutions of my current research.

**Brian Chambers Award** for Early Career Researchers in Crop Nutrition, International Fertilizer Society, 2017:

A jury of IFS members evaluated the work presented by candidates on novelty, scientific soundness and practical relevance.
